### Dimensions *(in inches)*

Dim A	1.00"
Dim C	0.035"

### G-2WU-075

Parameters	Specifications
Tube OD	3/4"
Elbow Type	Radius 180 Degree
Material	304 stainless
Port Length	1.00"
Wall Thickness	0.035"
Finish	Tumble
Vacuum Range	$1 \cdot 10^{-13}$ mbar to 1 bar
Temperature Range	-200 °C to 450 °C
Weight	0.071 lbs

## VACUUM SOLUTIONS FOR INDUSTRY & RESEARCH

Nor-Cal Products is a premier global source for custom and standard high and ultra-high vacuum chambers and components critical to the success of industrial, semiconductor, coating, analytics, and research applications. We offer an extensive selection of vacuum line fittings, hardware, valves and components which complement our custom manufacturing capabilities.

## EARNING YOUR TRUST

Innovative engineering, precision manufacturing, exceptional service and expert technical support are cornerstones of our corporate culture and continuous improvement goals. Your trust is our most important asset.

## INNOVATION SINCE 1962

An added value to working with Nor-Cal Products is how we apply our vacuum science and industry expertise to your production and research goals and timelines. We continue to develop new component lines and services to serve the demands of the exciting and ever emerging applications that require vacuum components.
